2. YouTube Everyone knows YouTube – it practically got everything you can imagine. Yet it may come as a surprise to some new to the world of Chinese dramas to know that yes, there are numerous full-length episodes of Chinese TV series on YouTube, free to all, with multilingual subtitles. Simply type [Chinese drama name+ eng sub] in the search bar, and you will get a list of matching results. If you don't know what to watch, start with producers' official channels. Here are some top recommended YouTube channels to watch C-dramas in high picture and translation quality. Best TV drama series to watch on YouTube: Reset (开端)Novoland: Pearl Eclipse (斛珠夫人)Remember Me (青春向前冲)Price: Free 3. Viki Viki is one of the best streaming sites for watching Chinese drama without registration and downloading. In fact, it has the most extensive array of shows catering to Asian drama fans. Besides Mainland Chinese shows, there are tons of TV series and movies from Taiwan, Japan, and Korea. The video quality is outstanding, and the streaming is pretty fast compared to other websites. The best part is that subtitles on Viki are sourced by global fans of Chinese dramas, and most of them come with multiple language options including English, Spanish, French, German, Italian, etc., which are also very accurate. But sometimes newly released episodes are uploaded before translation, so you might have to wait on those subtitles if you're a beginner in Chinese. Like other websites, Viki also offers the common "access all content if you get a VIP subscription" deal. Depending on what you want to watch, this may or may not be worth it. (Many popular Chinese dramas can be watched on this website entirely for free.) Best TV drama series to watch on Viki: Go Go Squid! (亲爱的, 热爱的)Falling into Your Smile (你微笑时很美)Price: Free (limited content), or VIKIPASS at \$4.99 per month. 4. WeTV WeTV is another popular TV streaming site that lets you watch Chinese drama and TV shows for free, with English subtitles. China's tech giant Tencent owns this website so you can trust it regarding quality and reliability. There is an extensive array of dramas hosted on WeTV across several genres such as romance, fantasy, period costumes, horror, action, etc. While those newly-released series are not 100% free (there is a paid plan), you can stick around with plenty of comparatively older content. And the best part is that you can view them across multiple devices like Android TV or smart TVs by downloading their App. Best TV drama series to watch on WeTV: You Are My Glory (你是我的荣耀)The Imperial Coronet (御赐小仵作)Price: Free (limited content), or you can get a paid plan for unlimited content 5. Mango TV Mango TV is a great video entertainment platform that lets you watch full-length Chinese TV shows for free without downloading in 2022. Primarily focused on overseas users, Mango TV is best known for its original variety shows. It has also released a ton of English-subbed Chinese dramas, including many that weren't available with English subtitles before. No registration is required to access its free content. Best TV drama series to watch on Mango TV: Under the Power (锦衣之下)My Dear Brothers (亲爱的吾兄)Price: Free (limited content), or you can unlock early episodes and archived VIP drama by paying via either Google Play or Apple App store. Apart from the 5 websites mentioned above, there are three other platforms where you can watch Chinese drama subtitled in English to the best of our knowledge. Now, if you understand a bit of Chinese or want to experience the language authentically, you're in for a treat, because we're here to show you a list of genuine Chinese video platforms designed for Chinese-speaking audiences as well. The websites we list in the upcoming section have at least ten times more enjoyable content in Mandarin than the sites mentioned before. They will almost certainly not have English subtitles (some have Chinese subtitles), but depending on your Chinese level, this could be a good thing, especially if you've reached the intermediate/advanced stage in your Mandarin study. You can learn new vocabulary and expressions in an immersion setting without English distraction. Before moving ahead, there is just one thing to note. While all the websites and TV services listed below are free and 100% legal, a lot of content is only available to users located within Mainland China due to copyright issues. However, you can use a VPN to stream free content that's not available in your country. Services like ExpressVPN and NordVPN let you bypass IP restrictions and unlock dramas easily. Here goes the list. 6. Tencent Video (腾讯视频) Tencent Video is our favorite streaming site to watch Chinese dramas within China. It's currently one of the largest online video platforms in the world with over 200 million daily users and 106 million VIP subscribers. While its international version WeTV focuses on overseas users, Tencent Video provides richer content for Chinese audiences. Apart from the most recent TV shows and original series, it has a vast collection of classic dramas, HD movies, and anime, many free of charge without creating an account. Tencent Video is available in China only. So if you are located overseas, we recommend that you use a VPN to access this website. If you are a mobile user, then download its free apps for Android and iOS. Best TV drama series to watch on Tencent Video: Crime Crackdown (扫黑风暴)Douluo Continent (斗罗大陆)Price: Free (limited content), or 20 CNY per month for unlimited 7. Youku (优酷) Owned by Alibaba Group, Youku is another go-to resource to watch Chinese drama online for free in good quality without signing up. However, if you choose to do so, Youku lets you create a watch list of favorites and resume playback across different devices. Navigating the website is pretty easy if you can read Chinese. Also, it allows you to explore shows based on genre (romance, adventure, comedy, crime, period costume, sci-fi, wuxia fantasy, and more) and sort by latest and ratings. Best TV drama series to watch on Youku: ER Doctors (急诊科医生)Let's Fall in Love (咱们相爱吧)Price: Free (limited content), or 19 CNY per month for VIP content 8. Bilibili (哔哩哔哩) Bilibili, also nicknamed B Site (B站) in China, is the most popular video-sharing website among young Chinese themed around animation and games. However, the site also offers a great collection of free TV dramas, documentaries, variety shows, and other original content for a broader audience. The fun thing about watching dramas on Bilibili is the "danmu (弹幕)" commentary sharing system. You can post comments directly on top of the video, and they would then scroll across the screen in real time and be seen by everyone. Comments sometimes got so thick that they resembled a barrage of bullets, aka danmu (literally, "bullet curtain"). You don't have to sign up to watch the shows, but if you opt to do so, you can get better video quality to boost your viewing experience, and create a watch list of your favorites. Best TV drama series to watch on Bilibili: Romance of the Three Kingdoms (三国演义)Couple of Mirrors (双镜)Price: Free 9. Migu Video (咪咕视频) Even though Migu Video is primarily focused on sports streams, its large library of Chinese dramas, TV shows, and movies is equally worth checking out. In short, it is a good platform to watch Chinese shows and sports for free online. But it can be made better by adding more filters for TV series like other websites. Here you get only a bar to search for your favorite TV show. That being said, Migu Video does offer free Android and iOS apps with a well-managed layout for you to watch the content on mobile devices. While the VIP shows require a subscription, there is a lot of free content you can appreciate in high quality. Best TV drama series to watch on Migu Video: The Twelfth Second (第十二秒)Belief (前行者)Price: Free (limited content), or 18 CNY per month for VIP subscription 10. Sohu TV (搜狐视频) Owned by China's leading internet company Sohu, Sohu TV is another great website to watch Chinese drama online for free in 2022, with its huge collection of high video quality TV series. You can filter dramas based on genres like idol, family, romance, suspense, fantasy, and much more. You can watch interesting Chinese vlogs here as well. This website also has a free version and a VIP section, but most of the new shows become free when they end, so you don't have to buy their subscriptions if you're willing to wait. Best TV drama series to watch on Sohu TV: Medical Examiner Dr. Qin (法医秦明)The Disguiser (伪装者)Price: Free (limited content), or 19 CNY per month for membership plan 11. PPTV Last but not least, PPTV, previously known as PPLive, brings you thousands and thousands of free Chinese drama episodes at your fingertips. Apart from TV shows, you can watch popular Chinese movies too. PPTV did a great job updating its media library with fast streaming servers. Like other sites, there is no need to sign up to access the free content and subscription is optional. Best TV drama series to watch on PPTV: In the Name of the People (人民的名义)The Wolf Warriors (战狼)Price: Free (limited content), or 19 CNY per month for VIP access Free Chinese Drama Website FAQs Can I watch Chinese Dramas for free on my phone or TV? Yes, watching Chinese dramas on your phone is super easy. Most platforms are available on iOS and Android phones as applications. They are free to download in Google Play or App Store. You can then connect your mobile device to a TV as a display for content playing on the apps. Can I download the Chinese Dramas? Some of the platforms we mentioned (e.g. Tencent Video, Youku) allow you to download TV shows and movies onto your computer or mobile device so that you can watch them later without an internet connection. Others (e.g. YouTube, Viki) come with no download button, and you need to turn to a third-party downloader for offline video watching. Can I watch Chinese dramas online for free without a VPN? Yes, you certainly can. There are plenty of Chinese drama episodes in full length on YouTube, for instance. But if you want to access 10x more resources from the authentic Chinese video platforms, you usually need a Chinese IP address and a VPN service like ExpressVPN or NordVPN will come in handy.
